The Deep Tissue Massage

Combining different classical Swedish techniques (cross friction, articular mobilization, tapotement, petrissage), this massage is for those who prefer stronger strokes. It relaxes muscles in depth while providing tonicity and vitality. It helps prevent muscle strain and bodily fatigue. It also eliminates toxins and stimulates blood circulation.

OUR BRANDS

Camille Becht
Votre partenaire Soin & Bien-être

The Camille Becht range was created with the desire to combine the practice of skincare with products native to the founder's home region. Each product is made from natural active ingredients and essences whose benefits have been known for centuries. This attachment to regional traditions makes it possible to follow the (strict) ECOCERT legislation. The (entire) product line is: organic, effective, and safe; in harmony with tradition and modernity.

The plant experts at Phytodia Laboratories specialize in the research and development of plant-based extracts. Thus, Natural active ingredients are incorporated in our organic, effective cosmetic products. Containing plant extracts from the Vosges and Alsace
