THE RÉGENT CONTADES  
THE JOY OF HOSTING :

In the heart of the Neustadt district, the Régent Contades Hotel opens the doors to a timeless journey, enhanced by contemporary elegance. A distinctive address where the charm of a private mansion meets the refined art of hospitality.

## STEP INTO HISTORY THE FOUNDATIONS :

In 1984, Jean-Maurice Scharf acquired this exceptional residence with the ambition of restoring all the splendor of this place steeped in history. On September 1, 1986, the Régent Contades opened its doors and welcomed its first guests, ushering in a new era defined by refinement and the art of hospitality.

## THE DISTRICT :

Located in the heart of the Neustadt district, an iconic area listed as a UNESCO World Heritage Site, this 19th-century bourgeois residence reveals the timeless elegance of its neoclassical architecture. Its majestic façade, crafted from pink Vosges sandstone, stands out for its refinement and enhances the property at every hour of the day and night.

## THE ART OF HOSPITALITY :

From the moment you arrive, Sylvie, the hostess, and her team welcome you with the warmth and discretion that define the French art of hospitality. Nestled between the banks of the Ill River and the vibrant city center, just a short stroll from Strasbourg Cathedral, the Régent Contades invites you to enjoy a timeless retreat—intimate, elegant, and refined.

**A TRULY EXCEPTIONAL HOTEL  
A UNIQUE DESTINATION :**

Perfect for a business trip or a getaway, this 4-star hotel offers a prime location in the heart of Strasbourg, within immediate reach of the Alsatian capital's most iconic landmarks: Notre-Dame Cathedral, the Petite France district, and the renowned Christmas Markets. Conceived to meet the expectations of a diverse clientele—travelers seeking an escape, business guests, couples, and families alike—the property cultivates an art of hospitality defined by refinement, warmth, and meticulous attention to every detail.

### **DISTINCTIVE ROOMS :**

Throughout the renovations, the rooms have retained their authenticity and unique character, reflecting the charm and history of the place. Spacious, peaceful and tastefully furnished, they offer the absolute comfort and all the amenities expected of a four-star establishment, striking a perfect balance between tradition and modernity.

### **SPACIOUS LIVING SPACES :**

The common areas, filled with natural light and generously proportioned, extend this sense of serene elegance. Every detail has been carefully considered to provide a seamless, comfortable, and intimate experience.

## ROOMS & SUITES :

The result of a meticulous renovation carried out by the owner, Jean-Maurice Scharf, the rooms at the Régent Contades have retained all the authenticity and charm of the original residence. The careful work of skilled craftsmen, the choice of noble materials and the creation of custom-made furniture make each space a unique place, blending classic elegance with contemporary comfort.

Depending on your room, enjoy views over the banks of the Ill River or the peaceful setting of Avenue de la Liberté. Three rooms have also been specially adapted for guests with reduced mobility—please do not hesitate to contact us for any specific requirements.

### THE REGENCY BAR :

The Regency Bar is much more than just a bar in the heart of Strasbourg—it is a hidden gem, cherished by those who know it. Nestled within this elegant bourgeois residence, it offers a distinctly intimate atmosphere. Mahogany wood paneling, rich fabrics, warm tones, and soft lighting create a setting where every evening feels like a privileged occasion.

Whether at the bar or in an armchair, explore our carefully curated selection of Scotch, Irish and American whiskies, cocktails, Alsace wines and fine champagnes. An invitation to slow down, savour and enjoy.

### A TRADITIONAL SALON :

Each morning, the Régent Contades' Belle Époque salon reveals the full elegance of its authentic décor. Sparkling chandeliers, soaring ceilings, refined moldings, and herringbone parquet flooring create an exceptional setting, ideal for a peaceful start to the day. Beneath the light-filled glass roof, a generous sweet and savory buffet showcases the essentials of a traditional French breakfast, offering a delightful gourmet moment before setting off to explore Strasbourg.

## **A MOMENT OF RELAXATION AT THE RÉGENT CONTADES WELLNESS :**

Our therapists will guide you with care and professionalism to ensure a fully personalised experience.

### OUR ENVIRONMENTAL COMMITMENTS :

At the Régent Contades, environmental and social responsibility is embedded in our daily practices and goes far beyond a simple statement of intent. The achievement of the Clef Verte certification in 2026 recognizes this demanding approach, based on integrating environmental responsibility across all aspects of the hotel's operations, from guest services to day-to-day management.

### PRESERVING HERITAGE AND THE ENVIRONMENT :

A former 19th-century bourgeois residence nestled in the heart of the Neustadt district, a UNESCO World Heritage Site, the Régent Contades embodies a deep respect for both heritage and the living world. Preserving this architectural gem also means preserving the soul of a place and the character of its neighbourhood.

### OPTIMISING ENERGY USE :

The hotel is predominantly illuminated with low-energy LED lighting, and motion sensors have been installed throughout the public areas. Our teams also embrace responsible digital practices on a daily basis. In terms of water conservation, water-saving devices are fitted to all taps and showers, and the vast majority of our toilets are equipped with dual-flush systems.

### SUSTAINABLE MANAGEMENT OF RESOURCES AND PURCHASING :

Waste management is a priority: we sort our waste and reduce organic waste in partnership with Sikle, which recycles it into useful resources. The hotel is cleaned using Vapodil equipment and eco-labelled products. Our information materials are printed on recycled paper, and our duvets are made from natural fibres.

### THE RÉGENT CONTADES AN AGENT OF CHANGE :

We encourage our guests to limit linen changes in order to reduce water consumption. The majority of our team members commute by public transport or bicycle. We also support the French National Forest Office, supporting a reforestation project covering five hectares in Saint-Nabord, in the Vosges region.
